JOSIAH TURNER, Jr., EDITOR.

FRIDAY, DECEMBER 10, 1869.

BLOW YOUR HORN BILLY.

Major Smith, President of the North Carolina Railroad, seated in Blair's new six-horse omnibus, (or "hoss" as Brewer or Ashley would call it,) blew his horn in General Clingman's ears after this wise: "Galloway, the negro Senator, was put up to offer his resolution for my removal as President of the Road by some d—d cowardly white members, who were afraid to do so themselves. Of course, General, I could not notice such a thing coming from a negro, but if a white member had offered such a resolution I would cowhide the d—d rascal." Good for Billy; he would have deserved it; for the Road has prospered under your administration, and you boldly, and justly denounced the corruption, and ignorance of the Legislature, in your Salisbury speech, to the gratification of every honest tax payer in the State, but to the evident dissatisfaction of the rogues, who plunder the Treasury by manipulating State Bonds. We will furnish you with the cowhide Billy, and tell you where to begin your work. We ordered a cowhide last week, thirteen feet long, at the Ashboro tanyard, to be sent to the widow Harris, of Montgomery county, to be used upon a carpet bagger, who called her a d—d liar.

Begin then on carpet baggers first.—Don't strike Professor Brewer, of the University, he's brother-in-law to Pilgrim Ashley, and has traveled, the *Standard* says, in "Greece, lovely Greece, the land of Scholars and the nurse of arms." As you love Greece and literature, spare Brewer, Billy.

Don't touch Prince Laflin, it would produce female grief; besides, he suffered disgrace enough in being removed by the Governor as State proxy on your Road, when another was substituted in his place. Give ear to what we say, Billy, don't strike the Prince. Galloway will say you were moved by malice, because the Prince did not favor the lease.

Don't strike French the "big Ingin," he is the great pacificator, and with Judge Cantwell saved Senator Abbott from a bloody grave.

Don't strike Downing, he's too old and believes in spirit rapping. You may think he deserves it for purchasing 8,000 acres for the penitentiary, and then offering to purchase from the State at 100,000 dollars when the tax list of his county showed in 1868, that he paid tax only on one gold watch.

Don't strike him for he was lately in New York with the Governor and the Ring.

Don't mistake the fighting Parson Sinclair, for a carpet bagger, if he was born in old Scotland; he fought for the lost cause and can take the test oath with as clear conscience as Judge Brooks or District Attorney Starbuck. The first having served as Captain and the last having served with Judge Dick and yourself as members of the secesh Convention of 1861.

Don't strike a single negro, for they suffered enough when Gov. Holden was master. "It is a good rule (said the Governor) in the management of slaves or servants, to clothe well, feed well and whip well."—See *Standard*, Dec. 3d, 1869.

Don't strike Gen. Estes, if he did say "any man who would shoot Jo Turner in the back could get a pardon." Estes is in trouble enough about his accounts and the public money, which he has handled. In fact, Billy, it looks so much like Ku Klux ing; let us suggest who to punish and who to spare, and this we will do when our columns are less crowded with more important matters.

THE RULE ANSWERED.

As we passed Greensboro' on Monday night last there was general rejoicing among passengers on the Train, that Judge Thomas Ruffin Jr., had answered the rule served upon the bar for contempt in signing the solemn protest, against the active participation of the Bench in politics.

There was an injunction before Judge Dick, one of the Supreme Court Judges, at Chambers. Judge Ruffin was of Counsel in the case, Judge Dick imitating the example of Judge Settle, forbid Judge Ruffin's appearing before him, until he should answer the rule of the Supreme Court for contempt.

When the cause had been heard and the Judge adjourned his Court, he had the bad taste to approach Judge Ruffin and begin conversation about having excluded him as counsel. Judge Ruffin with great propriety told Judge Dick his conduct was contemptible, amounting to infamy. His Honor, who signed the ordinance of secession, replied that it was false. Whereupon, Judge Ruffin knocked Judge Dick down, giving him two heavy pops, after the Henan fashion one in the mouth and the other between the eyes. This we pronounce, a full, complete and satisfactory answer to the Rule in the matter of B. F. Moore, and others.

We have seen Judge Ruffin since the occurrence, but he refused to speak of it or to answer our questions in regard to his answer to the rule; he would not tell us even the name of the case before the Judge he was afraid of being put in the papers.—We hope some member of the bar at Greensboro will give us all the facts, for we think it a very important decision and settlement of the great contempt case.

"LET THE INVESTIGATION GO ON" —Standard.

The Proprietor of the *Standard* fled from this city, on Friday night, 26th of November—fled in the night time, soon after the House of Commons had resolved itself into Committee of the Whole, to investigate the swindles and frauds with which he is charged.

The Republican members have voted down every Democratic effort at raising Committees for investigation. Mr. Durham moved, on Saturday last, for a Committee to visit New York; his motion was agreed to. On Saturday night, in Radical caucus, it was resolved to rescind the appointment.

Gentlemen from the North had written here that they could and would put such Committee on the track to ferret out the frauds and corrupt practices of the *Standard* man and the "Ring." This was feared and hence the necessity to stop the Committee.

By going into Committee of the Whole, we got clear of Littlefield. It drove him forth filled with fury and—State bonds, breathing mischief, and threatening Durham, Jarvis, Argo and Malone.

We cannot say of Littlefield, as Cicero said of Cataline, "He is gone; he is fled; he has escaped; he has broken away. No longer within the very walls of the City shall he plot her ruin. We have forced him from secret plots into open rebellion. The bad citizen is now the avowed traitor. His flight is the confession of his treason. Would that his attendants had not been so few. Be speedy, ye companions of his dissolute pleasures; be speedy that you may overtake him before night. Let him not languish deprived of your society."

No, we are not so happily rid of the corrupt, bad man, as Rome was of Cataline. Though gone in person, he is here, represented in his party and his paper. In this shameless sheet, the *Standard*, he appears daily. In his Thursday's paper he denounced the honest men who drove him from the City to the everglades of Florida. He denounced Jarvis, Durham, Malone, Welch, Ingram, Pou and others who have made efforts to expose the rascality that the whole State fully believes has been practised, and of which even Sweat, of Cumberland, is almost convinced.

"Every Democrat," says the *standard*, "except Malone and Argo, has backed out from the investigation, and the whole of them now declare that they never wanted any committee, and that it was a Republican movement." This is a direct, palpable misrepresentation of facts on the part of Littlefield, through his paper. Then he exclaims, "was there ever such a palpable, unmistakable, cowardly backdown!"

Yes, Littlefield having fled from the investigation, like a thief in the night, says in his paper: "We want Durham, Jarvis, Malone, Pou, Argo and Ingram, sworn, that the people may see what grounds they had for demolishing the investigation." This Littlefield, the Governor's State printer, after flying like a thief from the City, has the audacity to call, in his paper, for an investigation, when he, himself, is the witness, above all others, that is wanting.

If the committee will examine Victor Barringer, of the Code Commission, it may turn out that he or Judge Tourgee was talked to by Littlefield, or his special friend, before they drew that lazy-Lassiter bill, authorizing the Governor to appoint the committee of investigation, to report next August! Senator Lassiter, of the Penitentiary committee, to whom Littlefield paid $30 an acre for the killdee land, introduced the bill into the Senate. The Governor was the advocate and friend of the bill. The Governor's confidential friend gave assurance that he, the Governor, would appoint certain persons on the committee, if the Legislature would pass the lazy-Lassiter bill, delaying the exposure of fraud perpetrated by Littlefield and the "Ring," until August 1870.

There is no foundation for the assertion in Littlefield's paper, that the Democratic members have backed down from the investigation. They have despaired of exposing the corruption and fraud of Littlefield and the "Ring," because of the difficulties thrown in the way of the investigation by Radical members, some of whom are suspected to have been dealing in State bonds themselves.

Look out, gentlemen; *no man can protect a thief, without partaking of his guilt and shame.*

QUESTIONS FOR THE CURIOUS.

How did the people of the West give consent by their votes to place their brethren of the East under the dominion and control of carpet baggers, scalawags and negroes?

Why do not the parents, the *patres familiæ*, of North Carolina establish a private University in which they could have their sons educated? Are there not scholars enough in the State, Alumni of the old University, to make a glorious Faculty for such an Institution?

Is the keeping of Thanksgiving to be hereafter considered as one of the evidences of loyalty to the best Government? Is this New England Institution a part of reconstruction and the new civilization?

How much does Gov. Holden propose to increase the debt of the State, in order to make the State Bonds sell?

Population,	1,008 342

How much per capita?

How comes it that the fleet of South Carolina is only *one sixth* that of North Carolina?

Does the Legislature mean it as "contempt of Court" to ask the Judges of the Supreme Court to say for them what they are ashamed to say for themselves, that they have been elected for four years?

SPECIAL ORDER.

Bill creating a Board of Railroad Commissioners for the State.

Mr. Downing moved that the majority report of the Special Committee to whom this bill was referred be adopted. He opposed the bill on the ground that it would create a new phase in the administration of the affairs of the State and would entail new and large expenses and would take away duties legally devolving on the Superintendent of Public Works.

Mr. French moved to postpone the bill until the conclusion of the examination before the Committee of the Whole.

Mr. Seymour moved to lay the bill on the table.

The yeas and nays being called resulted in the following ballot:

YEAS.—Messrs. Ames, Barnes, Boddie, Candler, Carson, Carey, Cawthorn, Clayton, Dixon, Durham, Eagles, Ellis, Forkner, Foster, Franklin, French, Gathing, Gibson, Gilbert, Graham, Gunter, Harris, of Franklin, Hawkins, Hendricks, Hicks, High, Hodgin, Hodnett, Hoffman, Horney, Humphries, Hudgins, Jarvis, Justice, of Rutherford, Kelly, of Davie, Kelly, of Moore, Kinney, Leary, Long, of Chatham, Long, of Richmond, Malone, Matheson, Mayo, McGehee, Mendenhall, Moore, of Alamance, Moore, of Chowan, Morrill, Morris, Nicholson, Painter, Pou, Renfrow, Robbins, Robinson, Reynolds, Seymour, Shaver, Sinclair, Simonds, Smith, of Alleghany, Smith, of Martin, Smith, of Wayne, Snipes, Stanton, Stevens, Stilley, Sweat, Thompson, Vestal, Vest, Winthrop, Whitley, Williams, of Sampson, Williamson and Wilson—75.

NAYS.—Messrs. Argo, Armstrong, Ashworth, Banner, Barnett, Blair, Cherry, Crawford, Dowsing, Ellington, Hilliard, Hinnant, Ingram, McMillan, Siegrist and White—16.

NOTE. Mr. Argo, in voting no upon the motion to lay on the table the bill creating a Board of Railroad Commissioners, said, he was opposed to the bill in *toto* and wished to choke it to death now and here. He had opposed the bill when it was considered in Committee and then stated if the majority of the Committee reported in favor of it, he would submit a minority report &c. He objected to it on the ground it that was a one-sided affair, for such a commission as that bill would create would be composed of gentlemen, only a certain type. He objected to it on the ground that it would open the door to still greater frauds.

He as a Conservative had been compelled to vote for the Committee of the Whole, for Republicans would allow nothing else, now he intended to stand by this Committee, and if Republicans threw the least pebble in the way of the investigation, he would fearlessly denounce such action.—He did not think such a Commission, if raised, could be relied on to make a fair report.

TRINITY COLLEGE.

A friend writing from Trinity says:

"Just at this time life at Trinity is interesting and peculiar. The Fall term examination begins to morrow, and the speaking begins to-morrow night. Almost every one is intensely engaged and not a little excited. Every class will be examined a half day, and several the whole day. The whole class has the same questions or readings, or whatever the exercise may be.—They sit in the Professor's room and write out the solutions, translations, &c. Each has pen, ink and paper, and no manner of assistance, not a book in the room. The exercise will generally fill from six to eight, some as high as twelve foolscap pages. Ninety five hundredths of the whole must be perfectly accurate to obtain first distinction. In declamation every word incorrectly pronounced takes one from the grade. Lamps now burn late at night, a few are said to be glimmering all night long. There are many ambitious young men here, and *first* might cannot be obtained without a huge effort."

THE SENTINEL.

CITY AND STATE ITEMS.

FRIDAY, DECEMBER 10, 1869.

☞ THEO. S. HINSDALE, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

DR. THOMAS H. TURNER having returned to his old home, offers his professional services to the citizens of Hillsboro and vicinity. 3w

NEW ADVERTISEMENTS.—A great many good things at Ph. Thiem's—too numerous to mention—also, something new and delicious, mushroom, oysters, of which we never saw any, tut, *they say*, they are good.

Baking powders, offered by Douglas Bell, said to be superior to anything of the kind heretofore in use. We shall get our better half to try them and report the result.

See also sale of land at Kinston on the 1st of January next.

TUCKER HALL TO NIGHT.—The Concert to be given at Tucker Hall to-night, by the scholars of the Baptist Sunday School, under the supervision and management of the Superintendent of the School, W. J. Palmer, Esq., assisted by the teachers, male and female, will be one of the most pleasant and enjoyable entertainments of the season. We suppose the exhibition will be patronized by several classes of persons: first, by all who love children; secondly, by all who love to hear children sing; thirdly, by all the friends of Sunday Schools; fourthly, by such as wish to spend an hour or two pleasantly; fifthly, by the members of the legislature, who are not too stingy to pay the fare; sixthly, by all the pretty girls, and, seventhly by all cleaver young men who admire those alluded to in "sixthly;" eighthly, by all strangers in the city, who would like to "see the sights," ninthly, by the rest of the citizens and sojourners of Raleigh, and tenthly, by the dead-heads. We hope therefore the children who take so much delight in doing what they do so well, may be greeted to night by an overflowing audience.

Don't forget, this (Friday) evening, at Tucker Hall. See advertisem nt.

THE "N. C. HOME" FIRE INS. CO.—ANOTHER PROMPT PAYMENT.—We noticed, a few days ago, the destruction, by fire, of the Tobacco Factory and Fixtures and Store of Rufus Bobbitt, Esq, in Granville Co. The fire occurred on the 19th ult., and, on yesterday, the N. C. Home, of this city, promptly paid to Mr. Bobbitt the amount of his insurance in that Company. Mr. B., we are glad to learn, was insured in other Companies, also.

The admirable promptness of the "Home" has been acknowledged in the following note from Mr. Bobbitt:

RALEIGH, N. C., Dec. 9, 1869.

R. H. BATTLE, Esq.

TREAS. N. C. HOME INS. CO:

I take pleasure in acknowledging the full payment, by you, of *Three Thousand, six Hundred and Ninety Eight Dollars*,—amount of my insurance in your Company on my property, (Factory, Fixtures and Stores,) destroyed by fire on the 19th of November.

The promptness and fidelity, with which the "N. C. Home" has met its obligations, in this matter, commend it to the people of the State.

Very respectfully,

RUFUS BOBBITT.

U. S. CIRCUIT COURT.—Court opened at the usual hour, and the first case taken up was that of the U. S. vs. Wm. Mangum, indicted for stealing the key of a mail bag, Badger and Olds for the defendant. The greater portion of the morning was spent in the discussion of this case. Verdict, guilty, sentenced to two years imprisonment in the Penitentiary at Albany, N. Y. Motion by Mr. Badger for a new trial, motion to be argued to-morrow.

The case of U. S. vs. Wm. H. McDonald, the new bill docket, indicted for false personation of a Revenue officer, was next called, Merriman for the defendant, verdict guilty, motion for a new trial argued and refused. Judgment of the Court that the defendant be imprisoned six months and pay a fine of $500.

After disposing of a few unimportant cases on the libel docket, the Court took a recess until 4 P. M.

EVENING SESSION.

The Court met at 4 o'clock, and No. 33 from the Libel Docket was called, it being U. S. vs. 181 half boxes Manufactured Tobacco, as property of Fuller, Wilkerson and A. W. Garner; A. W. Garner, Claimant. District Attorney assisted by Judge Merrimon for the prosecution, Messrs. Keogh, Ball, Weed and Thompson, for the claimant. Case argued until 5½ P. M., when the Court adjourned until 10 o'clock to morrow when the discussion will be resumed.

Preparatory Medication.

The human system, the most delicate and sensitive of all created things, should be duly prepared to meet the shock occasioned by a sudden change in the temperature of the air. Even the solid metals contract and expand under cold and heat—so that if man were composed of iron, instead of frail tissues and fibres, circulating fluids and brittle osseous matter, his frame would not be proof against the vicissitudes of climate. As it is, it behooves every one, especially the feeble to fortify the frail tenement of mortality against the inclemency of the present season. A wholesome, strength-supplying vegetable tonic and alterative is the preparatory medicine required, and among medicinal agents of this character, HOSTETTER'S STOMACH BITTERS *stand supreme*. In a successful career of nearly a quarter of a century, the preparation has never been equalled or approached, and its sales are now larger than those of any half dozen articles, purporting to belong to the same class, that has ever been advertised in this country. As a remedy and preventive of DYSPEPSIA, and all its complications, it may be said to have *lived down* competition and to be the standard specific of the Western Hemisphere. A course of this genial restorative at the commencement of Winter is the surest safeguard against all the complaints which are caused or aggravated by exposure to cold.

MOORE CONTEMPT OF COURT—JAY BIRD ON THE RAMPAGE.

On the 29th ult., Judge Jones opened Tarborough Superior Court, which fact was noticed locally by the Tarborough *Southerner* as follows:

"The Fall term of this Court opened on Monday last.

Understanding that the Judge—Jones—was seriously ill at the Pitt Court, fears were entertained that "His Honor" would not be sufficiently recovered to attend to the duties of the Edgecombe term, but, upon enterance, we found him as fresh and blooming as a "J. B." in the spring time.

After the organization of the Grand Jury, "His Honor" delivered himself of his charge.

Unfortunately, business confined us to our office during the delivery of this document and we are, therefore, unable to give our readers a full exposition of the mysteries of the law as expounded by his Judgeship.

And from what we can gather from those who were more fortunate than ourselves, we should suppose that they would have learned nothing new—the charge being al most identically similar with the one delivered here six months since, with this important exception—His Honor seems to have somewhat deserted the service of the profane political masters, and confined most of his quotations to the Holy Scriptures—a happy omen, if it is possible to believe anything happy in such a character.

This "lumination" being concluded, the State Docket was opened under the direction of Solicitor, Jos. J. Martin. This feathery specimen of radicalism seems to be improving considerably in the management of his cases, and in the *course of time* will, no doubt, *do better*.

Up to this time the whole attention of the Court has been taken up in the disposal of the State Docket, upon which there are 144 cases.

Nothing of importance has yet been reached, though several capital cases stand for trial.

On Tuesday morning a special venire of 36 men was ordered in the case of Lewis Hines, (col) charged with Rape, and the case was set for to day.

The Civil Docket, which will scarcely be reached until next week, is also very large, the Trial Docket numbering 468 cases and the Appearance 166."

On the convening of the Court last Monday morning, the Judge, having read the above, had a notice served on the Editor, Wm. Biggs, Esq, who is also a lawyer, to show cause why he should not be debarred from exercising the duties and privileges of an Attorney and Counsellor in his Court, using the above article as a basis for the order. The case was set for hearing yesterday, Judges Howard and Biggs and Wm. H Johnston, Esq, counsel for the defendant.

This is but another pitiful and tyrannical attempt upon the freedom of the press, becoming so common now-a-days. If a lawyer "bats his eye" in the presence of a Judge, he is immediately served with an order to "show cause." Such exhibitions are pitiful and humiliating.

IS MORING BANNED?—We understand that our little squib at Moring, yesterday morning, created some stir. Now, Mr. Moring is banned, if he has not had his disabilities removed, and he knows it.

He appeared excited yesterday morning when he read our article, and was absent from his seat during the day. Perhaps he was trying to get an application before Congress for the immediate healing of his political sins. *He Knows.*

A Universal Remedy.—"Brown's Bronchial Troches" for Coughs, Colds, and Bronchial Affections, now stands the first in public favor and confidence; this result has been acquired by a test of many years. Its merits and extensive use have caused the Troches to be counterfeited, and we would caution purchasers to be on their guard against worthless imitations.

In Plymouth, N. C., on the 2nd Sunday in Advent, Dec. 5th 1869, by Rev. T. B Haughton, MR. JOHN W. LATHAM and MRS. LAURA M. SMITH. All of Washington county, N. C.

OBITUARY.

MR. DAVID J RAMSEY, son of Isaac Ramsey, Esq., died in Beaufort, N. C., Nov. 29th 1869, aged nearly 26 years.

It is seldom that we have furnished in the life of any one such a remarkable instance of filial obedience and affection as were furnished in the life of the deceased. Long a steady and inflexible member of the Methodist Church, he was pious and faithful from his boyhood; and those who knew him best are well satisfied that the influence of his sainted mother never lost its power over him. During his last illness he gave evidence of having made preparation for death.

To the heart stricken father, brother and sister—all that now remain of a once large and happy family—the death of this excellent young man comes with a peculiar shock of affliction. Steady in business, warm in affection, virtuous in life, and long devoted to the Church in which he died, his death brings loss to the family, the Church and the community. COR.

It prohibits the Supreme Court from taking any jurisdiction of any cases growing out of the execution of the reconstruction acts, until the Governments of the late rebellious States are fully restored by Congress as valid.

SCHOOL BOOKS.

The Most Eminent Teachers in North Carolina

DECLARE EMPHATICALLY IN FAVOR OF

The National Series of School Books,

WHICH WERE

Adopted by the State Board of North Carolina, Sept 9, 1869.

UNANIMOUSLY

Adopted by the State Board of Alabama, Aug. 18, 1869.

UNANIMOUSLY

Adopted by the State Board of Louisiana, July 17, 1869.

☞ By reference to the accompanying lists of Text Books used in the Schools of North Carolina in 1868, and those adopted this year, it will be seen that, in nearly every important particular,

THE OLD NORTH CAROLINA STANDARD IS RETAINED.

1869. *The Present Standard.* Adopted by the Board of Education.	1855 *The Original Standard* Recommended by the State Superintendent.
Parker and Watson's Spellers.	Worcester's Ele'y. Spelling Book.

Smith's English Grammar.	Smith's English Grammar.
Monteith's History United States.	

From Rev. C. H. Wiley formerly State Supt. of Education.

Bristol, Tenn., Oct 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Weatherly, Prin Chas. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introducting. They are superior to any I have seen.—W. F. E. Olds, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 26, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. Smith, Lincolnton, Sept. 26th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order steele's Philosophy for first introduction.—G. W. Jewett, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1855, and up to the time I have examined no work superior to them. I have examined McNally's Geography and Peck's Gaucl's Natural Philosophy, by. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. Brooks, Prin. Male Academy Warrenton.

It is my purpose to introduce Monteith's (No 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Aldert Sheppe, D.D., Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Rev. Wm. S. Lacy, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan, Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this state of also books to be used in the public schools, and am much pleased to find that so many have been selected from the National series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained. Dr. Wm. B. Harris, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible makes it, (Monteith's Intermediate Geography) in my judgment a charming school book.—Col. Wm. Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Cross, Prin. Durham Academy.

Will introduce the University Arithmetic next term An admirable work.—M. L. Little, Prin. Pleasant Hill seminary, Sexton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Stinson Isey, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. Wm. A. Graham, late Superintendent Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. O. D. Bernheim, Prin. Female seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. Fox, President Misenheimer Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. Kerr, State Geologist of North Carolina.

Mr. Taylor Johnson Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National series throughout; Mr Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and Town's Grammar; Mrs. Emma Bingham, Cary P. O., uses the National series; Mr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the aforesaid series of books, within my knowledge.—Prof. W. H. Mahaffey, Chatham county, Sept. 18, 1869.

I am glad to learn that some of your books are to be introduced into our state schools.—Prof. J. M. M Caldwell, Greensboro' High School, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series most prove acceptable The structure of language is beautifully exhibited.—Fayetteville *Presbyterian.*

This firm will allow no competition in the price of books published by them which are among the best in the state.—Statesville *American* 1868.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot.*

Have acknowledged superiority by the most competent judges.—Western *Sentinel.*

Davies is excellent in the first degree.—Wadesboro *Argus.*

Are excelled by none of the many need, and they are superior to most of them.—Newbern *Journal of Commerce.*

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post.*

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald.*

AND CONSTANTLY INCREASING.

DIVIDENDS DECLARED AND PAID ANNUALLY ON THE CONTRIBUTION PLAN.

ALL POLICIES (AFTER TWO FULL PAYMENTS) NON-FORFEITABLE, AND SO EXPRESSED ON EACH POLICY.

No Restrictions as to Residence and Travel in the United States,

RATES LOWER THAN ANY OTHER COMPANY THAT PAYS DIVIDENDS TO POLICY-HOLDERS.

IT ISSUES ALL THE VARIOUS FORMS OF LIFE AND ENDOWMENT POLICIES.

LOSSES PAID PROMPTLY IN CASH.

LIST OF LOSSES ACTUALLY PAID BY THE ÆTNA LIFE INS. CO., AT THE BRANCH OFFICE, IN RALEIGH, BY THE HANDS OF W. H. CROW, GENERAL MANAGER OF THE STATE AND PART OF VA.

"	22,304	15,00

And $5,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

Knickerbocker,	$16,94
Equitable,	17,44
North America,	21,16
Brooklyn,	21,09
Universal,	27,24
John Hancock,	18,27
The National,	63,48
The Ætna,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fulness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 589 policies, received an income of seventy-eight thousand dollars, and possessed 91 assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13 337 new policies, more than any other Company except the Mutual Life; received an income exceeding six million dollars and had amassed solid, surely and precisely invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
